

# All Countians Of Draft Age Will Register At Gettysburg

All countians between the ages of 18 and 25 will register for the forthcoming draft at Gettysburg.

That was the decision reached Thursday night when the newly-named Adams County Selective Service Board met at the Legion home here.

With the registration scheduled to begin Monday, the members organized with Lawrence M. Sheads, Chambersburg street, named as chairman, Albert E. Weaver, McSherrystown, secretary, and W. Clayton Jester, Biglerville, third member.

**Register At Court House**  
Named only a few days before registration is scheduled to begin, the board immediately was faced with the problem of securing a location in which to register and with the problem of securing volunteer help for the registration.

Because a tremendous amount of supplies are needed for the registration, and because of the difficulty of quickly finding spots throughout the county for the registration and securing help to man those points, the board decided that the only possible plan at the moment is to have all of the countians in the age group come to Gettysburg for the registration on the dates on which they are to sign for the draft.

This morning the arbitration room in the court house on Baltimore street was secured as the place for the registrations and it will be open starting Monday from 8 a. m. to 5 p. m. each day, Monday through Saturday, except Labor Day, until the registration is completed on September 18.

**Use Volunteer Help**  
Those scheduled to report for registration the first day, Monday, are men born in 1922 after August 30 of that year. Because that is expected to be the lightest of the registrations the board hopes to "break in" its volunteer help Monday without too great confusion.

Different age groups will come to the arbitration room each day to register. The draft board, asking the cooperation of countians, asked that employers permit employees to leave their work without penalty on the days that the employees are scheduled to be present to register. The board also asked residents to provide transportation if needed by forming car pools to bring men without transportation from various sections of the county to Gettysburg.

Gettysburg school teachers were being contacted today to act as registrars during the first week of the registration and county teachers are to be asked to act as registrars during the remainder of the period.

**Over 3,000 To Register**  
Upwards of 3,000 countians are scheduled for registration during the period, the board estimated.

Other dates on which the men are to report for registration at the arbitration room are: Men born in 1923, on August 31 and September 1; men born in 1924, September 2 and September 3; men born in 1925, September 4 and September 7; men born in 1926, September 8 and September 9; men born in 1927, September 10 and September 11; men born in 1928, September 13 and September 14; men born in 1929, September 15 and September 16; men born in 1930 prior to September 19, 1930, September 17 and September 18.

All men born in those dates must register. It was pointed out.

The board today announced that an office has been secured for it in the Weaver building on Center square. However all of the registration will take place at the court house.

## Galilean Vesper Service Announced

The three Christian Endeavor societies of St. James Lutheran church are sponsoring a Galilean vesper service at Martin's meadow, Marsh Creek Heights, Sunday evening at 7 o'clock.

Fuad Nucho, a student at the seminary and a native of Jerusalem, will be the speaker.

All members of Christian Endeavor groups in Adams county and their friends are invited to attend.

The committee in charge includes Donald Warrenfeltz, chairman, Mildred Coshun, Geraldine Waybright and Nancy Lightner.

In the event of rain the service will be held at St. James church.

## SESQUI GROUP PLANS OPENING EVENT JAN. 1950

The Adams County Sesqui-Centennial committee approved a tentative schedule of events for the observance in 1950 at the group's second meeting Thursday evening in the court house.

The present plan, subject to necessary changes that may be made in the future, calls for initial celebrations on and immediately after the actual anniversary date—January 22, 1950—with the main observance to occupy three or four days in the latter half of September of that year.

September was selected as the most convenient time of year for the county-wide celebration when all county interests were taken into consideration.

**Special Observances**  
The January events, according to the tentative plans, will include special observances in the churches of the county on the anniversary, Sunday, January 22.

On the next day there will be appropriate ceremonies in the county court as the January term opens for the 151st year of the county's history.

Service clubs, women's, fraternal and veterans' organizations will be asked to take notice of the anniversary at their meetings that week.

No attempt was made Thursday evening to plan the nature of the big sesqui-centennial celebration in September of that year. Those and other details will be placed in the hands of subcommittees yet to be selected.

**Plan 15 Groups**  
The executive committee Thursday evening approved a suggestion from a planning committee named (Please turn to Page 6)

## WEAVERS PLAN "OPEN" PROGRAM

The first of three broadcasts of the National Conference of American Weavers, being held in Glatfelter hall annex under the direction of Mrs. Oema Gallinger, Creative Crafts, Guernsey, was on the air at 12:30 o'clock this afternoon over radio station WGBA, York. Mrs. Loraine Kessenich, known as "The Spinning Woman of Wisconsin," gave a talk on spinning.

Mrs. Gallinger will broadcast a 15-minute program on September 7 over WGBA at the same time, on weaving, and at a later date not yet definitely set, Mrs. Lola Wiley, director of crafts at the Los Angeles, Calif., playgrounds, will speak on her work.

Representatives of the radio station spent Thursday afternoon at the conference and characterized it as an unusual feature in public activities.

Coverlets and linens which have been brought to the conference by residents of Gettysburg and vicinity have been analyzed and will be shown and discussed in a lecture program by Mrs. Donnel B. Young, who supervises the weaving department of Maryland university, at 10 o'clock Saturday morning in Brua chapel at the college. The public is invited to attend this session.

## Local Firemen To Parade At Hanover

All members of the Gettysburg fire company were urged today by Fire Chief James A. Aumen to be present at 2 o'clock Saturday afternoon at the engine house here to go to Hanover in the fire trucks to take part in a parade there. The members may omit coats for the parade, Chief Aumen said.

The fire chief also announced that a committee will be at the fire engine house Tuesday evening, starting at 7 o'clock to receive books sold by the members. He urged all to get the books in on Tuesday if possible.

At 8:30 o'clock Tuesday evening a general meeting of all committees for the bazaar will be held at the engine house to complete plans for the fire company bazaar to be held September 2, 3, 4 and 6. Plans for the annual meeting of the Adams county firemen's association here Labor Day and the parade to be held that day will also be discussed. Over 20 fire companies have already announced plans to be in the Labor Day parade here.

**POSTS BAIL**  
Joseph Scott, Jr., Fairfield R. D., Thursday evening posted bail before Justice of the Peace Roger Myers, Fairfield, to appear Monday evening at 8:30 o'clock before the justice on a charge of assault and battery against the 15-year-old son of George McGlaughlin, Fairfield R. D. Scott was arrested Thursday evening on a warrant by Constable Leo Riley.

## VFW Post To Hold Picnic On Sept. 12

Notices were sent Thursday to 425 members of the Gettysburg Veterans of Foreign Wars of a picnic to be held by the organization September 12 at Benner's grove. In the event of rain the affair will be held the following Sunday.

Serving of steamed clams, corn on the cob and baked ham will be from 3 to 6 o'clock in the afternoon, while a program of entertainment has been scheduled for the evening. Adjutant Arthur J. Roth has asked members to return the card attached to the notices stating if they plan to be present for the all-day picnic so that arrangements can be made to have sufficient food and the like for the affair.

## 700 AT 38TH ANNIVERSARY OF ORPHANAGE

Approximately 700 friends from Pennsylvania, Maryland, Virginia and West Virginia were present on Thursday morning and afternoon for the 38th annual anniversary of the George W. and Agnes Hoffman orphanage, near Littlestown. A number of the alumni were present and discussed the possibility of forming an alumni association at an early date and a special reunion of the alumni is being planned.

Four hundred dinners were served in the dining room and Emmanuel cottage by Grace Reformed church, Hanover, and Redeemer's Reformed church, Littlestown. Light refreshments were on sale in charge of St. Mary's Reformed church, Silver Run, Md., and the ice cream stand was in charge of Trinity Reformed, Gettysburg. An annual feature at the anniversary is the ladies' bazaar in the school building in charge of the Ladies' Auxiliary of the Orphanage, of which Mrs. Malcolm Myers, Hanover, is the president.

The following program was presented at 2 p. m. in the grove in charge of the superintendent, the Rev. Arthur Leeming; invocation, by the Rev. E. A. Lautenschlager, pastor of St. Paul's Reformed church, Woodstock, Va.; hymn, "This Is My Father's World"; responsive scripture reading and prayer by Elder Harry T. Baker, superintendent of Sunday school at the orphanage; music by a chorus of twelve girls from the orphanage. Superintendent Leeming made general remarks on the progress of the home and thanked the church people. (Please turn to Page 6)

## Richard Charnbury Dies; College Grad

Richard Earl Charnbury, Hanover, a graduate of Gettysburg college, died at the Hanover hospital Thursday morning following a lingering illness. He was a member of the class of 1928, and took an active part in athletics.

Funeral services will be held Saturday morning at 10:30 o'clock at the William A. Feiser funeral home. Burial will be in Mt. Olivet cemetery.

## State Police Nab Three Motorists

David W. Fissel, Lemoyne, Pa., paid a fine of \$2 and costs to Justice of the Peace G. R. Coulson, Dillsburg, on a charge of displaying an improper sticker, state police of the Gettysburg sub-station, who filed the charge, said today.

Martha K. King, East Berlin R. 2, was fined \$10 and costs by Justice of the Peace W. D. Brown, Hunterstown, on a reckless driving charge.

Wilbur Tressler, Emmitsburg R. 1, paid \$10 and costs to Justice of the Peace Ellis Stine, Fairfield, for driving without an operator's license.

## HOSPITAL TREATS TWO

Mary Lou Devivo, aged seven, of Gettysburg R. 5, was treated at the Warner hospital Thursday evening for a laceration of her left leg sustained in a fall.

Doris Miller, 15, daughter of Mr. and Mrs. William Miller, Stallsmith apartments, was treated Thursday evening for a laceration of the head. She was struck by a swing from which a child had fallen.

## SELL FARM

George A. and Rose H. Shorb, Fairfield R. D., have sold their 134-acre farm in Freedom township to Julian J. and Linda P. Miller, Mummaburg. Possession will be given on or before November 1. The sale was made through John C. Bream.

## BAND TO PLAY

## WEAVERS TOUR BATTLEFIELD; ENJOY SCENERY

Visitors to Gettysburg attending the National Conference of American Handweavers being held this week and next in Glatfelter hall annex on the college campus, were taken on a tour of the battlefield Thursday afternoon in seven automobiles driven by members of the Chamber of Commerce.

O. H. Benson was in charge of arrangements, and the tour was planned by Dr. Frederick Tilberg, National Park historian, who gave accounts of the movements of Union and Confederate troops at the various stops made.

The first stop was at the Peace Light, where Dr. Tilberg gave the background of the battle preparations and incidents of the first day's fighting. The visitors particularly admired the North Carolina monument, comparing it with the two Jima sculpture.

**Discuss Home Interests**  
Visitors from Southern California expressed surprise at the variety of foliage, as seen from Little Round Top. In their section, they said, trees were principally date palms and cactus.

Alfred Mongin, new assistant to Dr. Tilberg, accompanied the group and aided in answering questions. Cars for the tour were made available by Glenn C. Bream, Carl Menchey, Lloyd Gilbert and Mr. Benson. Following the tour the guests were entertained at a picnic at the home of Mr. and Mrs. Milo Gallinger, of Guernsey.

The evening meeting of the weavers was held in the upper parlor at Hotel Gettysburg, and included a discussion of home interests and activities of the sections from which the visitors came. After they return to their homes, they plan to correspond with each other.

Mrs. Bertha Knudsen, Baltimore, told how she had collected enough clothing to send 300 boxes, each weighing 100 pounds, to needy persons in Norway. She received a medal from King Haakon.

## Bus, Truck Collide; Children Injured

Several children, en route by bus to Williams Grove park Thursday, were cut by glass when the bus and an oil truck collided on the New Chester-Hampton road a half mile east of New Chester, state police of the Gettysburg sub-station, who investigated, reported today. The children were given first aid treatment at the scene by Freeman C. Kennedy, York Springs, operator of the bus.

State police said that Freeman was driving a Wolf school bus east on the highway, and a Gulf oil truck, operated by Harry D. Sumpman, York, was proceeding west. As the vehicles passed on the 16-foot roadway, the left side of the bus and the left rear fender, truck bed and left rear wheels of the oil truck collided.

The bus was forced off the highway and struck an abutment. Damage to the bus was estimated at \$250 and to the truck at \$45. The drivers were not injured.

## 75 Attend Cubs' Outdoor Meeting

Seventy-five persons, including parents of the Cubs, and the leaders, were present Wednesday evening for the monthly meeting of Cub Pack No. 73, which was held at Martin's Park, along Marsh creek. William Swisher, East Middle street, cubmaster, was in charge.

Following the regular opening and the flag ceremony, several awards were announced and presented to the winners. Jimmy Everly was given the bear badge; Billy Woods, Billy Swisher, Walter Metz and Jack Kunkel, the wolf badge and star points, one each, to Billy Woods and Billy Swisher.

A Wiener roast was held before the business session which was followed by games and athletic contests which featured an obstacle race. Nineteen Cubs were included in the number attending.

## Birth Announcements

Mr. and Mrs. Ralph Stoner, Keymer, Md., announce the birth of a son at the Warner hospital Thursday.

A daughter was born Wednesday at the Hanover hospital to Mr. and Mrs. Melvin P. Noel, 631 Main street, McSherrystown.

## Paralyzed Girl, 20, Is Grateful "God Spared Life For Purpose"

Washington, Aug. 27 (AP)—They finally broke the bad news to pretty Dorothy Kilmer. She'll never walk again.

No one wanted to do it, but it had to be done. Miss Kilmer, 20-year-old night club hat check girl, was shot accidentally last July 29. The bullet lodged in her spine, paralyzing her.

All these weeks no one could quite get around to telling her. But yesterday it came time to move her to another hospital. Doctors and nurses assembled in her room. There was much groping for words and clearing of throats.

Finally someone said: "Well, you'll be leaving us soon, Dorothy."

"Yes, I know," said Dorothy. "And I want to thank you all for having been so kind to me, and having done so much for me."

"Dorothy . . . suppose after all we've tried to do, your back still isn't . . . well, suppose in spite of everything, we can't quite get you entirely well again . . . and you find that you can't walk . . . how would you feel about that?"

"I'd feel all right," the girl answered softly. "I'll be happy, and I'll get along somehow."

Then she smiled. "If God has spared my life, it must be for a purpose. I'll be all right."

Now Dorothy knows.

## HEAT RECORD IS SET THURSDAY AT 99 DEGREES

Yesterday was the hottest August 26 on record in the last 46 years in Gettysburg and the hottest day here in over four years.

The high reading of 99 degrees, reached between 4 and 5 o'clock, set a new heat record for the year here. The nearest approach was a reading of 96 degrees on June 29. Wednesday's high was 94 degrees here.

Thursday was by far the hottest August 26 on record in Gettysburg. While temperatures of 90 degrees or above have occurred only five times on August 26, the previous high was a 93 degrees on that date in 1925, local weather records show. Last year on the same date the high reading was 90 degrees.

**Record Here Is 105**  
Thursday's high made it the hottest day here since August 12, 1944, when the mercury soared to 101 degrees.

The highest temperature ever recorded here since continuous records were started in 1903 is 105 degrees. That high has been recorded three times—August 6 and 7, 1918, and July 21, 1926. Readings of 100 or above, while far above the average, have occurred more than a score of times since 1903.

A new record seemed to be in the making today with a reading of 97 degrees at 1:30 p. m., two degrees above the reading at the same hour on Thursday.

## No Relief In Sight

(By The Associated Press)  
No relief was in sight today from the record-breaking heat wave that yesterday sent Pennsylvanians scurrying to swimming pools and parks.

Philadelphia produced the highest thermometer reading as the mercury hit 101.2 yesterday afternoon, 8.2 degrees above the previous high for August 26 in that city. In fact, the Philadelphia Weather Bureau reported that only 20 other days in (Please turn to Page 2)

## STEELTON NEGRO FACES FBI COUNT

Edgar Allen Saunders, 23-year-old colored Steelton worker, was charged before U. S. District Commissioner Edward B. Bullett Thursday with "willfully injuring and causing depredation on property of the United States."

The charge was laid by members of the Federal Bureau of Investigation who allege that Saunders started a fire on August 17 which destroyed three buildings at the U. S. Army Service Forces depot at New Cumberland, and damaged another. Loss as a result of the fire was estimated at the time at \$15,000.

FBI members said in laying the charge that Saunders laid a lighted cigarette on a piece of rag soaked with paint thinner as he was leaving the building in which he worked. The rag caught fire from the flames spread until firemen brought them under control.

Saunders' father posted \$2,000 bail for the Steelton man to appear before the U. S. Court of the Middle District for a trial on the charge. A preliminary hearing before the commissioner was waived. Saunders had worked as a painter at the depot for about 4½ years.

Saunders made no statements when arraigned before Commissioner Bullett other than to plead innocent of the charge.

## SPICER TO SPEAK

Oscar Spicer, Biglerville, president of the Adams County Inter-School Junior Red Cross council, will speak on activities of his group at the annual teachers' institute, it was announced today. Spicer will speak at the dinner session to be held in St. James Lutheran church on September 7.

## SUIT IS FILED

An action in assumpsit has been filed with the county prothonotary by the local law firm of Bullett and Bullett for F. B. Oaster, Hanover, against Harman W. and Margaret E. Dell, New Oxford. No complaint has been filed as yet but it was understood that the matter concerned a bill for plumbing and heating equipment.

## WILL PROBATED

The will of Ellen Virginia Buddy, late of Germany township, has been entered for probate at the office of the county register and recorder, Wilbur A. Bankert, Littlestown, is executor of the \$8,500 estate.

## WILL ENTER LEHIGH

Russell A. Campbell, Jr., son of Mr. and Mrs. Russell A. Campbell, West Broadway, has been accepted for admission as a freshman at Lehigh university, Bethlehem, this fall.

## Dr. Baughman Will Serve College Church

The Rev. Dr. Harry P. Baughman, member of the faculty of the Gettysburg Lutheran Theological seminary, will become acting pastor of College Lutheran church here on September 1 and will continue until a successor to the Rev. Dr. Dwight P. Putman is found.

Dr. Putman on August 1 took up his duties as president of the Central Pennsylvania Synod of the United Lutheran Church in America with headquarters at Harrisburg.

The Rev. Edward S. Stipe, of the Bible department of Gettysburg college, will preach in College church Sunday morning.

## 23 YOUNGSTERS GET AWARDS AT PLAYGROUNDS

Gettysburg's playground season came to an end Thursday with the most ambitious program yet planned by the local recreation association—an entire day of activities which brought hundreds of youngsters and adults to the high school playground for the varied activities.

The affair at times had the appearance of a three-ringed circus, with events being conducted at various spots about the playground simultaneously. At one time a girls' softball game, a horseshoe pitching contest, and a model plane demonstration were in progress. Youngsters and adults wandered from contest to contest and swarmed over swings, slides, and see-saws, visited the flower show and generally seemed to have a grand time. Later in the evening fly and plug casting contests a concert by the Blue and Gray band and a motion picture were all in progress at the same time.

## 23 Rewarded

Twenty-three youngsters were announced as having won awards for cooperation, leadership and courtesy as shown by their actions on the various playgrounds during the summer months. For the high school playground the awards went to Carl Sanders, Roney Collins and Patricia Knox for cooperation; Paul Howard and Joyce Kendelhart for leadership; Drew Collins and Lynn Bream for courtesy; the Meade school playground awards went to Ken Shindeldecker and Shirley Dunkinson for cooperativeness; Guy Crist and Sonja Shindeldecker for leadership and to Joe Robinson and Carol Nichols for courtesy. North-end playground awards were made to Robert Zhea for cooperation; Dick Trimmer for leadership and Barley Naugle for courtesy. The East-end field awards went to Fred Oyler and Joyce Weaver for cooperation, Jack Cordor and Patsy Breighner, leadership; Dave Ridinger, Janice Althoff and Connie Riley for courtesy.

The youngsters who won the playground awards can obtain them this evening or Saturday evening by calling at the recreation center in the First National Bank building. Due to so many activities being carried out at one time and the lack of a loudspeaker, the awards were announced but not given out Thursday.

Gettysburg's junior champions are the Cardinals. It was decided Thursday afternoon. The Cardinals pounded out a 10 to 7 victory over the Dodgers to win the championship of the Junior baseball game. Thursday evening the playground girls team met the Hanover girls squad and triumphed 11 to 6.

Darkness brought with it a tie between Dick Thompson, Edward Kerrigan, George Martin and Harry Smith in the horseshoe pitching contest. As a result the four will play off Monday evening at 6:30 o'clock at the high school field to determine a titlist. Martin is a former county champion, and Kerrigan a runner-up in county contests held a few years ago.

**Flower Show Results**  
Recreation officials urged others to be present Monday evening for the playoff stating that there courts will be available for other players and that it is hoped sufficient interest will be shown to start a horseshoe club. About 16 took part in Thursday's playoffs.

Results of the flower show were as follows: Adult division, best arrangement, Mrs. Robert Stoner, first prize; most colorful, Mrs. Carl Oyler, first prize; most perfect flower, Mrs. Carl Oyler, first prize; children's division, best arrangement, first, Joyce Kendelhart; second, Suzanne Levan; third, Barry Stoner; largest flower, Marlin Kroushour, first; Ronnie Collins, second and Shirley Fridinger, third; most colorful, Marlin Kroushour, Jennifer Hess and Sandra Small in the usual order.

Most perfect flower, Freddy Oyler, David Nowicki and Suzanne LeVan, first, second and third respectively; most unusual, Carl Westerdahl and Nancy Boyd; most artistic potted plant, Doris Anne Knox; miniature bouquets, Judy Carson, Carolyn Boyd and Nancy Shaner; tallest cactus, Geraldine Shaner.

## MAN, 81, DROWNS IN QUARRY NEAR M'SHERRYSTOWN

Harry J. Weaver, 81, a retired McSherrystown cigar maker, drowned Thursday afternoon at about 3:30 o'clock in the quarry near Ridge avenue in McSherrystown.

The death was the first by drowning in the county this year and the fourth in recent years in the McSherrystown quarry, according to McSherrystown Chief of Police Masnard Masemer.

A group of teen aged boys who were swimming on the opposite side of the quarry from that which Weaver entered said that the elderly man took off his outer clothes and sat for awhile on a rock near the shore of the quarry. He then appeared to be placing his feet in the water when he slipped and went plunging feet first into the water. (Please turn to Page 6)

## 7 COUNTY VETS GET DEGREES FROM COLLEGE

Seven Adams countians were among the 53 students who received Bachelor of Arts degrees at exercises this morning in the office of Dr. Henry W. A. Hanson, president of Gettysburg college.

The group was the largest summer school graduating class in the history of the college. The 12-week summer term ends Saturday.

Those from the county include John R. Gormley, son of Mr. and Mrs. Richard Gormley, 227 West Middle street; Glenn R. King, son of Mr. and Mrs. E. F. King, 115 Buford avenue; John Knorr, son of Mr. and Mrs. J. C. Knorr, R. 2; Harvey B. Smith, son of Mr. and Mrs. Charles A. Smith, 145 West Broadway; H. James Spahr, son of Mrs. Raymond W. Spahr, 188 York street; Jack R. Taylor, son of Mr. and Mrs. Lawton P. Taylor, McKnightstown, and Kenneth E. Lawver, son of Mr. and Mrs. L. W. Lawver, Biglerville. All are World War II veterans.

## Other Graduates

Also members of the graduating class were Robert W. Kissinger, Harrisburg, formerly of Gettysburg, and Louis Campanaro, of Yorkers, New York, husband of the former Miss Barbara Wolf of Gettysburg.

Other graduates were Gustave H. G. Bahrenburg, George M. Barclay, Frank H. Bretz, Abraham P. Brodsky, Cody F. Burkindine, Jr., Louis A. Campanaro, Robert S. Carl, Jack L. Creager, James M. Creighton, David T. Culp, John W. Dean, III, Robert J. Dowie, Charles B. Fager, Jr., James B. Felton, Edward D. Fischer, Peter J. Glod, James C. Grossman, Carter S. Haas, N. ## HOT WEEK-END PROSPECT FOR MOST OF U.S.

Chicago, Aug. 27 (AP)—A week-end of hot, muggy weather—good for the growing crops but horrible for humans—appeared in prospect for most of the nation today.

Federal forecasters said they could see no break in the hottest weather of the summer season. They said temperatures, which have ranged in the 90's to above 100 over the heat belt, may drop a few degrees in some areas. But rising humidity has brought even more discomfort to the sweltering millions in the hot zone from the Dakotas to the New England states.

"Hot and humid," was the forecast for most of the heat-stricken states. The mercury headed for daytime marks of between 90 and 100, the same as recorded yesterday over the entire area. But most of the midwest has had a daily dose of 90 to 100-degree temperatures every day this week.

### Official Reading Over 100

Yesterday's hottest weather extended along the Ohio river valley, through Indiana, Ohio, Kentucky and northeastward into the north-eastern section of the country. Generally, federal weather bureau forecasters said, the mercury was around the 100-degree mark.

There is some cool air in north-west Canada, forecasters said, but it is slow in moving across the border. There may be a little movement of the cool masses into northern Minnesota, northern Wisconsin and upper Michigan, but they will bring only temporary cooling.

The U. S. Weather Bureau said there were several official marks of 100 and above yesterday. The bureau in New York said the official high was 100.8, the second highest in history. But at LaGuardia airport the thermometer went even higher—to 102.8.

Baltimore's 101 was the hottest day in eight years and a record for the date. Philadelphia wilted under a blistering 101.2 while the weather bureau reported 100-above readings in Louisville, Columbus, Portland, Me., and Huntington, W. Va. Marks of 99 were registered in Harrisburg, Pa., Hartford, Conn., and Rochester, N. Y.

## BULLETINS

Berlin, Aug. 27 (AP)—For the second straight day, belligerent Communist-led demonstrators forced their way into Berlin's city hall today. They broke up a meeting of the anti-Communist city council and immediately tried to substitute a handpicked regime of their own.

They demanded that a special committee, composed of members of Communist dominated labor unions in the Soviet zone of the city, be appointed to replace the council. A spokesman denied that it was to be an "action committee" such as took over Czechoslovakia, but it apparently could serve the same purpose.

Moscow, Aug. 27 (AP)—The three western envoys went to the Kremlin today for an appointment with Soviet Foreign Minister V. M. Molotov.

The three westerners had an appointment for 5 p. m. (9 a. m. Eastern Standard Time), the U. S. embassy announced. The embassy added that the three would meet at the British embassy following the Kremlin session.

Informants say this session might be the crucial one in negotiations on the German crisis. They have changed forecasts on chances of an agreement on procedure from "fair" to "good."

Washington, Aug. 27 (AP)—The United States gave its backing today to a move led by France to set up an all Western European Parliament with advisory powers. The State Department said in a statement that "this government strongly favors the progressively closer integration of the free nations of Western Europe."

Washington, Aug. 27 (AP)—The House un-American Activities committee assigned an investigator today to track down a new report that Alger Hiss and Whittaker Chambers once were interested in the same old farm near Westminster, Md.

The committee also held a handwriting expert in an attempt to get to the bottom of the widely different stories the two men have told about their relationship a dozen years ago.

New York, Aug. 27 (AP)—One hundred and sixty-eight U. S. Olympic athletes came home today to the loudest harbor celebration since the return of the first G. I. contingent. In the group were 31 gold medal winners, including 11 members of the basketball squad, Decathlon Champion Bob Mathias of Tulare, Calif., and swimmer Ann Curtis of San Francisco.

Harrisburg, Aug. 27 (AP)—State police continued their search today for Ellsworth Buchanan, 20, of near Butler, who escaped yesterday from the Pennsylvania Industrial school at nearby White Hill. State police headquarters here said Buchanan may be driving a car reported stolen in nearby Shiremanstown during the night and are turning their attention toward the state's highways.

## Mae West Draws Crowd In Court

Los Angeles, Aug. 27 (AP)—Possibly because of the warning (or promise) that the testimony would be "spicy" or "even salacious," a goodly audience was in prospect today as blonde and buxom Mae West prepared to take the stand again in defense of two writers against whom she "had done them wrong."

An overflow crowd yesterday was on deck when Mae, still attractive at 55, took the stand. They were treated to a lot of pros and cons on Russian history, all of it ancient, and little else. The warning as to the possible nature of the testimony came from lawyers as the jury was being picked.

Mae is being sued by writers Edwin K. O'Brien and Michael Kane on charges that she pirated some of their material for her production "Catherine Was Great." Mae says she didn't—that she never even saw the script from which they claim the material was taken.

### REPORT R. R. PROFITS

Jersey City, N. J., Aug. 27 (AP)—A net income of \$397,041 in July as compared to a net deficit of \$18,170 for the same month in 1947 was reported by the Central Railroad of New Jersey and its subsidiary, the Central Railroad of Pennsylvania.

## Engagement

Mrs. Rausher Buried

Funeral services were held at 2 o'clock this afternoon at Bender's Lutheran church, near Biglerville, for Mrs. Bessie L. Rausher, 62, wife of Clarence J. Rausher, Guernsey, who died at the Warner hospital Tuesday afternoon.

The Rev. H. W. Sternat officiated, and pallbearers were Henry Lower, Edwin Eckert, Eugene Rouzer, Clyde Lady, Glenn Mauss and Paul Dugan. Interment was in the church cemetery.

## Science Redesigns Field Corn Plant

Brookhaven, N. Y., Aug. 27 (AP)—Science has redesigned the gangling field corn plant, reducing it in size and thus making it easier to harvest and less vulnerable to storms.

Dr. W. Ralph Singleton, senior geneticist of Brookhaven National Laboratory, announced yesterday that he had succeeded in developing the new stubby plant which grows to about the height of an average man.

It had slightly smaller ears but more plans can be grown on a single acre so that the overall yield does not suffer.

The smaller stalks will simplify the task of the seedsmen, who has to shake the tassels at the top of the plant to obtain pollen for fertilizing the seed.

Dr. Singleton said he approached the problem from the viewpoint that "it is much easier to make a six-foot corn plant than a fourteen-foot man."

## Sergeant Held For Abandoning Child

Pottsville, Pa., Aug. 27 (AP)—Sgt. Jesse Stansbury, attached to the 16th Airforce at Bolling Field, Washington, D. C., has been committed to the Pottsville jail in lieu of \$500 bail after pleading guilty to charges of bigamy and abandoning a minor child.

Anne Irene Reed of Wadesville, Pa., told Alderman William A. Thompson at a hearing yesterday that she married Stansbury July 5, 1947, without knowledge of his previous marriage.

Stansbury was brought here for the hearing from Bolling Field by County Detective William Dimmerling several days ago.

## HURRICAN OFF FLORIDA COAST

Miami, Fla., Aug. 27 (AP)—A Navy hurricane hunter plane banged its way into the 100-mile-an-hour hurricane about 900 miles east of Miami today and lost radio contact with land.

Storm warning headquarters said the hurricane apparently was continuing its northward course at about 15 miles an hour. While this took it in the general direction of the Florida-Georgia coast, it was emphasized that the storm was still far away and could easily change its course.

"Hurricanes rarely move in a straight line," said Grady Norton, chief of the storm warning service here.

The Navy plane in the storm was piloted by Lt. C. W. Gibbs of Laurins, S. C., who also pierced the disturbance yesterday.

Steamships were fleeing the storm's path.

The Russian freighter Petmakis Nomikos, which apparently shouldered some of the fury of the storm, discovered the disturbance early Thursday.

The Soviet ship made its report at 4:45 a. m. (EST) yesterday and has not been heard from since. Coast Guard officers, however, expressed the belief that the vessel is in no distress.

## RAILROADS ASK HIGHER RATES

Washington, Aug. 27 (AP)—The railroads asked today for higher freight rates on coal, coke and iron ore. The proposed increases, the railroad said, would yield \$140,000,000 a year on the basis of 1947 traffic.

The carriers asked the Interstate Commerce commission for a nationwide rate increase of 25 cents a net ton or 28 cents a gross ton on hard and soft coal and coke. A raise of 20 cents a ton (net or gross) was asked for iron ore in the east and south.

The railroads said the freight rates on coal, coke and iron ore have not kept pace with the rise in rates on other commodities.

Since 1939, the railroads' petition said, rates on anthracite have advanced about 27 per cent, those on coke 25 per cent and those on iron ore 20 per cent. On all commodities, including coal, coke and iron ore, rates have advanced about 44 per cent.

The railroads contended that the coal traffic is able to bear "its fair share" of increased railway costs as the price of coal has gone up far more than the increase in the average revenue of Class 1 railroads for transporting coal. The same is true of iron ore.

The railroads said they need the higher rates "to help offset the rising operating costs resulting largely from the increased prices of railway fuel, materials and supplies."

## Poultry Pointers

By FREDERICK BLOCK

The most common parasites that attack chickens are intestinal worms, chicken lice, and chicken mites. They are comparatively easy to control, thanks to chemicals, however, it is not only valuable to know which medicine destroys a certain parasite, but it is necessary to know that improper medication does not have any effect. Moreover it may be harmful to the birds. Therefore one should be sceptical about chemicals offered without a chemical analysis.

Many poultry producers like to deworm their pullets at the same time that they vaccinate them, and the most effective medication against common intestinal worms is Phenothiazine which in powder form mixed at the rate of one per cent of the total feed will prove satisfactory. The medicated feed should be fed only for one day making sure that the birds have clean, fresh water all the time.

The chicken lice which lives on the birds have been controlled satisfactorily by sodium fluoride which is commercially available in white powder form 90-98 per cent strong. It can be mixed at the rate of 1 part to 2 parts of fine material as flour. Two people are needed for the application, for one person has to hold the bird, and the other one pinches the powder under the wings, along the back, under the vent, on the neck, the head, breast, each thigh and tail. Sodium fluoride internally taken is poisonous for human beings and animals, and also irritates the eyes of the operator and the bird, therefore the birds should be released into fresh air immediately after application, and the operator should wear a piece of wet cloth over his mouth and nose while treating the birds.

(Treating against mites and whether chickens need grit will be discussed next Friday.)

Bedford, Pa., Aug. 27 (AP)—Gene Austin Robinson, about 19, of (803 Wilhelm road), Harrisburg, was drowned last night in the Rays-town branch of the Juniata river, state police reported. Police said the victim was with a party of seven. He did not know how to swim and apparently waded out too far after dark.

## Brother Held As Witness In Murder

Albuquerque, N. M., Aug. 27 (AP)—Louis Ramirez, 25, is being held here today as a material witness in the death of his sister, Lucille, whose body was found beside the Rio Grande river July 24, Assistant District Attorney Harry Robins said.

Police said Ramirez formerly roomed with Franklin Lindmuth, 18 of Harrisburg, Pa., who has been charged with murder in Miss Ramirez's death and is now en route to Albuquerque with two deputy sheriffs.

Robins said Ramirez is being held "only because we want to be sure of having him here when we question Lindmuth. He is staying voluntarily."

Miss Ramirez, an Albuquerque nursing school graduate, had been living in Modesto, Calif.

## TRUMAN SAYS HE'S CONFIDENT

Aboard Yacht Wanderer, Aug. 27

(AP)—Close associates said today President Truman is planning an unprecedented stumping campaign in which he will visit more states than any candidate in history.

They said his cross-country tours will extend into the deep south and into every section of the nation.

The first of these trips will follow close on the heels of Mr. Truman's five Labor Day appearances in Michigan — to be headlined by a major address in Detroit's Cadillac square.

Mr. Truman says he is confident of defeating Gov. Thomas E. Dewey in the November election. Whatever the reason for his optimism, he left no doubt as to his feeling during an hour-long talk with a dozen or so correspondents who meet him at Yorktowne, Va., yesterday.

The informal meeting was held aboard the Presidential Yacht Williamsburg, docked at the naval mine depot. Quotations were out, by prior agreement, but Mr. Truman revealed that he considers himself familiar with Dewey's campaign strategy.

The correspondents, traveling aboard the chartered yacht Wanderer, followed the Williamsburg to Sharpe's island on the eastern shore of Maryland, where the two ships anchored last night. Today's goal was Blakistone island, where the president may get in a swim tonight.

## ACES WIN FROM VFW 4-3; PLAY HERE TONIGHT

This evening at 6:15 o'clock the Gettysburg Aces will ring down the curtain on their highly successful baseball campaign by meeting the Conewago VFW nine on Quarry Field in a benefit game for the Babe Ruth Memorial Cancer fund.

No admission will be charged for the game but each spectator is expected to donate 25c which will be turned over to Mrs. Joseph E. Codori, captain of the local cancer fund drive.

The Aces nosed out Conewago 4-3 in a tilt played Thursday evening at Arendtsville.

Three runs in the first inning enabled Coach Harpster's outfit to withstand a late rally by the veterans.

Gibble permitted Conewago but four hits while the locals were held to the same number by Singley and Spence.

## Sports Roundup

By GAYLE TALBOT

**New York, Aug. 27 (AP)**—The prizefighters never had it so good as in these happy days, since a brash new promoting firm went out to get the scalp of Mike Jacobs, the old champion.

Nobody can say for sure which side is going to win the war of the promoters, though a decision might possibly be reached late in September. The only thing certain is that the boxers, themselves, can't lose.

**Dumb Dan Morgan**, one of the most celebrated of the oldtime fight managers, gave an accurate summation of the situation the other day at the multiple signing of the gladiators who will appear on the Tournament of Champions all-star card at Jersey City on Sept. 21.

Morgan, a bird-like, elderly little fellow who does the best he can these days, had just returned from a New York airport, where he and other fight figures had extended a reception to Marcel Cerdan, the battle-scarred little Frenchman who meets Middleweight champion Tony Zale in the feature brawl.

"Look at him," growled Dan. "Getting his picture took for the movies. And we been out there two days waitin' while he made up his mind to fly over from France. Back in the old days a guy like that would've been around knockin' on our doors with his hat in his hands."

Dan wasn't exaggerating much, at that. Let's look over, first Cerdan, and then a couple of others of the quartet whom the T. of C. has guaranteed \$270,000 for appearing on its big "Break Jacobs" program.

**Lucky Veterans**  
Cerdan, 34, lost his European middleweight title last May to a Belgian youngster, practically a novice, named Cyrille Delannoit, in Brussels. He won it back on July 10, but the Belgian boy gave him an awful argument, and Marcel was cut and tired and bleeding when the referee lifted his hand.

This isn't to imply that Cerdan isn't the logical challenger for Zale's crown. Probably he is. But his is a mighty lucky Frenchman to be getting a guarantee of \$50,000 in the circumstances. Tony likely will belt him out in four or five rounds.

**Love, Not Money**  
Gus Lesnevich and Jersey Joe Walcott each will draw down the same amount for their 15-round effort on the same card, and they are a couple of lucky veterans, too.

Zale, of course, is worth his \$120,000 guarantee. He is the Tournament of Champions' most valuable asset. As the kingpin of the boxing game's most active division, he offers the new outfit its best means of busting the Jacobs trust.

Some wise heads of the fight business feel that the T. of C. crowd made an irreparable blunder in adding Lesnevich and Walcott to their program just for the sake of embarrassing the 20th Century club. They argue that the Zale-Cerdan bout alone would have shown almost certain profit, but that \$100,000 added to a thumping loss.

The wealthy group of men backing the T. of C. have stated publicly that they are in it only for love of the fight game and that they are prepared to dig into their pockets to break the Jacobs monopoly.

## Fights Last Night

(By The Associated Press) **New York**—Billy Graham, 139, outpointed Terry Young, 138, both New York (10).

**Syracuse, N. Y.**—Lee Oma, 188, Detroit, knocked out Howard Chard, 224, Scranton, Pa. (1).

**Philadelphia**—Bee Bee Wright, 151, Clairton, Pa., outpointed Jose Basora, 159, New York (8).

**Brooklyn**—Joey Belfiore, 135, Philadelphia, outpointed Solly Cantor, 134, Toronto (8).

**Norwich, Conn.**—Dennis "Pat" Brady, 132, New York, stopped Oscar Lewis, 132, New York (5).

## Interstate League

(By The Associated Press) **The Wilmington Blue Rocks** moved back into second place in the Interstate league last night by defeating the Allentown Cardinals, 4-2, while York was losing to Sunbury, 3-1.

The pace setting Trenton Giants clung to their first place spot by handing the Lancaster Red Roses their 12th straight setback, 3-2, while the Hagerstown Owls defeated the Harrisburg Senators, 9-2.

Left-hander Bill George went the distance for Wilmington, allowing 11 hits. Shortstop Rudy Rufer hit a homer in the fifth inning to break a 2-2 deadlock and give the Blue Rocks a lead they never again relinquished.

Sunbury, in defeating York, gained

## PLAYOFFS OPEN SUNDAY; ADAMS LOOP TO FINISH

One of the two Adams county baseball leagues will open its championship playoffs and the other will wind up its regular season schedule over the week-end.

Opening games of the three-game semi-finals in the South Penn league will be played Sunday afternoon.

Conewago VFW, first-place team, will be host to Heidlersburg, third-place nine, at Arendtsville in the first of their three-game series while in the other contest Greenmont, third-place team, will play at Cash-town, second-place outfit. On September 5 the second games will be played at Heidlersburg and Greenmont.

Granite and Wrensville will play-off a postponed South Penn game at Wrensville Sunday afternoon. The outcome has no bearing on the league standing although a loss for Granite would put it in a tie for fifth place with Barlow.

**Saturday's Games**  
Only three games are carded for Saturday afternoon in the final scheduled contests in the Adams county league and none hold any importance in the final league standing as McSherrystown clinched fourth place and a playoff position by blanking Littlestown 6-0 in a game played Wednesday evening at McSherrystown.

The game was moved up from Saturday in order not to conflict with the firemen's parade at Hanover.

Games listed for Saturday include Hanover at Orrtanna, Fairfield at New Oxford, and Bendersville at Emmitsburg.

A meeting of league officials will be held Monday evening at the American Legion home here to plan the championship playoffs.

## G-BURG GIRLS

### TRIP HANOVER

Poling out a total of 17 hits, the Gettysburg Recreation girls softball team defeated the Hanover Recreation girls here Thursday evening 11-6 as a feature of the closing day program at the high school playground.

Each team hit hard and the score was close until the local lassies came up with three runs in the last of the fourth inning.

Darlene Sanders collected three of Gettysburg's 17 hits while L. Diviney secured two of the visitors' 10.

## 8 TEAMS STILL IN TOURNAMENT

**Johnstown, Pa., Aug. 27 (AP)**—Eight teams remained in the running today in the National Amateur Baseball tournament.

Four teams were eliminated yesterday by the loss of a second game. They were Harrisburg, Pa.; Zanesville, O.; Johnstown, Pa.; and Maryland State, the latter team actually the Overlea Supply nine from Baltimore but playing under the Maryland ABA franchise.

New Orleans defeated Brooklyn 8-2 for its third win as third baseman Nick Revon pounded out a triple and double to bat in two runs and score two others.

Joe Armelli batted in five runs with a homer, triple and a pair of singles to lead New York city's nine to a 17-13 victory over Harrisburg. South Amboy, N. J., only defeated team besides New Orleans, scored a 7-2 win over Concord, N. H., in a night game.

In other games, Washington came from behind in the ninth inning to defeat Maryland; Baltimore had little trouble in eliminating Zanesville 11-4, and Pittsfield, Mass., knocked out Johnstown, Pa., 8-5.

a full game on fourth place Allentown. The Reds now trail Allentown by four and a half games in their battle for a first division spot.

Today's schedule: Sunbury at Hagerstown, Harrisburg at York, Lancaster at Wilmington and Allentown at Trenton.

## Eastern League

(By The Associated Press) **Lou Kretlow**, Williamsport right-hander, is the first Eastern league pitcher to win 20 games this season. The Detroit Tiger farmhand racked up No. 20 last night by holding the Hartford Chiefs to four hits as the Bengals won 4-3, and increased their hold on fourth place to two games. The victory gave the Tigers a clean sweep of their three-game series with the Chiefs.

The Utica Blue Sox salvaged the fifth and final game of their important series with the Scranton Miners, 4-3, in 12 innings and moved to within a game and a half of first place. The Binghamton triplets pounded two Wilkes-Barre pitchers for 13 hits and a 12-4 victory over the Barons while the Albany Senators were upset by the last-place Elmira Pioneers, 8-4.

## CARDINALS COP LEAGUE TITLE

The Cardinals won the championship of the Junior Baseball league by defeating the Dodgers 10-7 as part of the official closing program of the playground season Thursday afternoon.

It took a strong finish for the Cardinals to turn the trick as the Dodgers scored seven times in the second inning to take a 7-1 lead. The champions topped their late inning rallies with a three-run attack in the final frame.

E. Barr paced the winners with three hits with Bender, Dayhoff, Trimmer and Kenworthy each securing a pair of safeties for the losers.

## Sport Shorts

**Pittsburgh, Aug. 27 (AP)**—Helen Sigel of Philadelphia today had the opportunity of winning the State Women's Golf championship for the third time.

The defending champion moved into the finals yesterday by defeating Mrs. Lee F. Mason, former West Penn champion from Edgewood, 5 and 4.

In the other bracket Mrs. Thomas E. Nolan of New Castle beat off a rally by Pat Harrington, West Penn champion from Oakmont, winning on the 18th green, 2 up.

**Memphis, Tenn., Aug. 27 (AP)**—Jim McHale of Philadelphia, apparently wasn't fazed one bit by the bowling sun yesterday as he carded a one-under-par 34 in a practice round prior to the National Amateur Golf championship which opens here Aug. 30.

**Carlisle, Pa., Aug. 27 (AP)**—The Second Army Baseball championship tournament continued today with only six teams remaining in the race. Fort Monroe, Va., and Fort Hayes, Ohio, dropped out of the double elimination tournament yesterday after losing for the second straight day.

**Philadelphia, Aug. 27 (AP)**—Bee Bee Wright of Clairton hung up his fifth Philadelphia ring victory last night by upsetting Jose Basora, of New York, in the eighth round feature of a fight show at Toppi stadium. Wright weighed 151½; Basora 159½.

Two Lebanon fighters were knocked out in preliminary bouts, while Billy Gray, 123½, of Harrisburg, dropped a six round decision to Bernard Peters, 126½, of Philadelphia.

**FT. MONMOUTH WINS**  
Fort Monmouth, N. J., Aug. 27 (AP)—Bill Van Lenton, of Bristol, Pa., former Penn State star, pitched a four-hitter last night as Fort Monmouth retained its first Army baseball title by defeating the Fort Dix nine 15-1.

**WINS MIDGET RACE**  
Philadelphia, Aug. 27 (AP)—Vernon Land, of North Bergen, N. J., won the 50-lap split midget car feature race at the Yellowjacket speedway last night. Land won the first 25-lap portion of the race in 5:35.39 and finished second in the second heat, run in reversed order.

The cheetah of India is credited with being the swiftest four-footed animal.

### FIFTEEN YEARS AGO

**Hazel Bream Is Wed to Student:**  
Miss Hazel M. Bream, daughter of Mrs. Minnie Bream, Chambersburg street, and Fred Justin, son of Mr. and Mrs. Joel Justin, of Merion, were married Monday morning at 11:30 o'clock, by the Rev. Harold Hand, a Lutheran minister of Harpers Ferry, at Frederick, Maryland.

Mr. Justin is a member of the sophomore class at Gettysburg college.

**Couple Married by York Pastor:**  
Miss Viola G. Cutshall, daughter of Mr. and Mrs. John R. Cutshall, of Arendtsville, and Wilbur W. Kappes, son of Mr. and Mrs. Charles A. Kappes, North Stratton street, were married Monday morning at 8:30 o'clock by the Rev. Dr. J. B. Baker, at the Baker summer home at Black Hole.

After the ceremony the couple left on a wedding trip to Ohio and the Century of Progress exposition in Ohio.

**Begin Use of Natural Gas:**  
The Gettysburg corporation on Monday begins serving straight natural gas to consumers in Gettysburg. H. H. Miller announced. At the same time the local gas manufacturing establishment in the rear of North Stratton street will be closed after being in operation since 1860.

**Two Countians Marry in Erie:**  
Miss Annie L. Kime and Charles H. Myers, both of Biglerville, were married at the home of the bridegroom's brother and wife, Mr. and Mrs. Roy H. Myers, Erie, Thursday evening, at 8 o'clock. The Rev. E. M. Gearhart, pastor of Lutheran Memorial church, Erie, performed the ceremony.

Mr. Myers is a carpenter and is employed at Anville. The couple will reside in Biglerville.

**Marriage Licenses:** Marriage license were issued at the office of C. F. Palmer, clerk of the courts, Friday afternoon, to Boyd C. Darr, York Springs, and Miss Dorothy M. Hoff, Biglerville.

**Couple Weds in Catholic Church:**  
Miss Evelyn L. McIntyre, daughter of Mr. and Mrs. Peter H. McIntyre, South Washington street, and John J. Hoffman, son of Mr. and Mrs. James P. Hoffman, McSherrystown, were married at a nuptial mass at St. Francis Xavier Catholic church Saturday morning at 7:30 o'clock. The ceremony was performed by the Rev. Father Mark E. Stock.

They were attended by Miss Mary Hoffman and Joseph Neiderer, both of McSherrystown.

**Local Man Is Field Agent:** G. R. Thompson, Baltimore street, has been appointed field agent for the bureau of animal industry, State department of agriculture, in Adams, Franklin and Cumberland counties, succeeding George A. Raf-fensperger, who held the position for nine years.

**Storm Damage Mounts:**—One woman dead, Mrs. Susan Aurandt, of Altoona, and property damage running into hundreds of thousands of dollars—that was the toll Gettysburg and Adams county counted in the wake of the severest northeastern wind and rain storm ever to sweep across this section in at least 40 years.

Streams swollen by rains of three days left their banks and carried away bridges, cottages and livestock. Winds of gale and hurricane proportions wreaked thousands of dollars damage in the county's peach and apple orchards, uprooted trees and drove water into practically every home in Gettysburg and Adams county.

**Gettysburg Is Given Next Elks Convention:** Gettysburg has been chosen as the meeting place for the twenty-eighth annual convention of the Pennsylvania State Elks' association in August of 1934. Voting was held in Altoona where the Elks were in session.

C. C. Hutton and H. James Weikert, delegates from the Gettysburg lodge of Elks, No. 1045, extended the

## Today's Talk

Our hopeful impulses from day to day are what keep us on our toes — light stepping and lavish in faith. They do more — they inspire others, for we are forever radiating all that we are. We can only imagine and speculate upon these "hopeful impulses that have achieved so much in the world. They are like the jewels in a watch — they give accuracy to the time-keeping of our lives.

Said Stevenson: "Every heart that has beat strong and cheerfully has left a hopeful impulse behind it in the world, and bettered the tradition of mankind."

It is these hopeful impulses that keep us in both physical and spiritual high gear, and which give to us the inspiration essential to a happy and useful life. And only in a free and generous democracy can these impulses thrive and continually germinate. What a privilege it is to have been born in such a land! It is from these healthy impulses that every worthwhile act gets its birth and maturity.

What tragedies of the human spirit are enacted in lands where there is no freedom to these natural and hopeful impulses — there where they are still-born, never knowing light and life. How cruel are the greed, the savagery, and the love of power that destroy their conception.

We have but to look out upon nature to see how the Creator has arranged everything to live out its natural life. There it is that we get our every cue to live out our own happy way of life. In this great out-of-doors we have the object lessons ever before us, as to how to live. There it is that the secrets of the universe are revealed to us. There it is that we read God's thoughts in all that he has created for our enlightenment.

These wild flowers that I have just plucked and placed upon my writing desk are an illustration of eternity. It is written that "Solomon in all his glory was not arrayed like one of these." Deathless are all hopeful impulses that stream out from the heart of man, inspired by nature, and nature's God.

Tomorrow Mr. Adams will talk on the subject: "An Evening Prayer."

## Just Folks

By EDGAR A. GUEST  
The Poet of the People  
ALONE

All this I've learned: how sweet it was to hear  
A glad "Hello!" when home I came again  
And just the spoken words: "Is that you, dear?"  
I thought it was your footstep dressing near."  
And, "Did you manage to escape the rain?"  
I hoped within the office you'd remain.  
Always when comes a storm I seem to fear  
You may not be where shelter you can gain."

So light and gay her greeting seemed to me,  
I never thought in memory 'twould glow;  
That all she said would long remembered be,  
And I should ache to hear that glad "Hello!"  
But now, within an empty house I stay,  
With none to care or ask: "How went the day?"

**Car Swept Across Road:** Mr. and Mrs. Paul L. Roy had a harrowing experience Wednesday evening. At Frederick they were leading a line of cars, occupied by persons unfamiliar with the road. When they reached a flooded dip in the road near St. Joseph's college, Mrs. Roy was placed in another car and Mr. Roy attempted to drive through. About 20 feet in the "puddle," a rushing sweep of water carried Roy's car from the left to the right, submerging the car over the seat.

For two hours and a half Mr. Roy sat atop his car while many other motorists sought to render assistance. Attempts to throw a line to him fell short.

Allan Turnbull, of Tacoma Park, Maryland, undressed, tied a wire about his waist and fastened the other end of a large truck. He waded to the car and finally succeeded in rescuing Roy with a rope which was fastened to his waist. The two men were then returned to safety. Mr. and Mrs. Roy and Mr. Turnbull spent the night at Thurmont.

**Personal Mention:** John Reinecker and John Crouse are spending a week in Philadelphia.

Mrs. Joseph C. Dickson and son, Joseph, of Port Arthur, Canada, have concluded a visit with Mr. and Mrs. J. Allen Dickson, Springs avenue.

Miss Peggy Zinn, Broadway, has returned from a visit with Mr. and Mrs. Robert Barkley, Wilmington, Delaware.

## Sunday School Lesson

**ANANIAS, DISCIPLE AT DAMASCUS**  
By Rev. Howard R. Gold, D.D.  
Margaret C. Gold  
Acts 9:1-22

Memory selection: I delight to do thy will, O My God; yea, thy law within my heart. Psalm 40:8.

Listening to the voice of God and putting ourselves in a position to help further God's plans is one lesson to be learned from this story about Ananias. Another is the plain matter of "unreserved obedience" to the will of God. "God moves in a mysterious way his wonders to perform." The humble servant of God and disciple of the Christian Way at Damascus never expected he would be the one chosen to offer forgiveness and baptism to the arch persecutor Saul. Ananias is only mentioned twice in the Bible — here in this episode immediately following Saul's conversion and again in Acts 29 where Paul recounts the story. A devout man, active among the disciples but not an officer, Ananias had heard how Saul had persecuted the saints at Jerusalem. So far the followers of the Way had been unmolested in the Damascus synagogues. However, this disciple must have been alarmed and distressed when he heard that Saul had been blinded on the road there and had been led into the home of Judas, a prominent citizen.

**A Marked Man**  
Saul regarded the Christian movement as a real menace to Judaism and determined to purge the Damascus synagogues. He had secured permission from the High Priest to do this and even had a list of all known followers of the Way. Ananias certainly knew he was a marked man. Saul was greatly feared because of his cruelty and violence in persecuting the Christians.

Suddenly God wrought a great miracle and Saul was blinded by a light when he met Christ. Saul had marked Ananias down as an earnest Christian whom he must destroy. God had also marked Ananias as the one he would send to help Saul reconstruct his life. Here a simple unknown man led the renowned Apostle of the Gentiles to a new understanding of Christ and stilled his troubled soul.

**Special Commission**  
The Lord appeared to Ananias in a vision and told him to arise and go to the street called Straight and ask at the house of Judas for Saul of Tarsus who lay there sightless and praying. Saul would be expecting him. At first Ananias objected, saying to the Lord that this man had wronged the disciples and had come with authority to bind them. To give Ananias courage and as-

urance to meet the sworn enemy of Christ, the Lord finally said, "Go thy way, for he is a chosen vessel unto me, to bear my name before the Gentiles."

So Ananias went to the street called Straight which was a fine wide boulevard 100 feet across divided into three avenues by Corinthian columns. It was a beautiful highway and soon he found Saul. Quietly he laid his hands upon Saul, restored his sight and brought him the gift of the Holy Spirit. Only a person of Ananias' nature could have found the right words to bring calm and comfort to Saul's laden heart. After the scales fell from Saul's eyes, he arose and was baptized by Ananias. What other instruction Ananias gave we do not know.

**Obedience**  
Ananias caught Christ's vision of a changed Saul and hastened to obey. When he fully understood it was part of God's plan to receive Saul into full Christian fellowship and prepare him for the new life, he never wavered even though he naturally feared this man of bad reputation. This is what our commentators term "unreserved obedience." Paul's transformation was dependent upon the network of minor personalities who helped him attain his spiritual stature and make his vision of Christ a reality. Saul recognized Ananias as a man of faith and fearlessness, the first Christian who dared to call him "brother."

**A New Life**  
Saul's hope for a new life rested

on Ananias. The whole fabric of his former life had disintegrated. Now he saw himself as the cruel Pharisee who had persecuted his Lord's disciples. The three days he spent in prayer and self-examination were dreadful. He knew his old friends would hold him in utter contempt and the new friends would naturally have reservations about the sincerity of his actions.

Ananias tried to make Paul (the former Saul) at home in their midst but some were not ready to accept him. The touch of Ananias' hands and his words "brother Saul" opened up a new world for Paul and through Paul for the entire Christian Church. Ananias formed an important link in the chain which bound Paul to Christianity.

**Questions On The S. S. Lesson**  
1. When did the lesson incident occur?  
2. Why did Saul start for Damascus?  
3. Where did Saul stay when blind?  
4. Who sent Ananias to help Saul?  
5. What convinced Ananias it was important?  
6. What did Ananias do for Saul?  
7. What does the lesson teach?

**Answers**  
1. After Saul's conversion.  
2. To persecute the Christians.  
3. On the Street called Straight.  
4. The Lord.  
5. The Lord said Saul was a "chosen vessel."  
6. Restored his sight, baptized him.  
7. Obedience to God's will.

last month that 15 sub-committees be formed with their chairmen to be members of the executive group. The chairmen, when they are appointed, will select their own committees from all sections of the county. It was indicated Thursday that a careful distribution of the chairmanships between Gettysburg and other county communities will be attempted.

In line with the recommendations of the planning committee, these sub-committees were approved with their chairmen to be announced, if possible, at the next meeting in September: Program, finance, speakers' bureau, publicity, historical writing, sports and recreation, industries, agriculture, women's organizations, veterans' organizations, service clubs, fraternal organizations, fire companies, schools and churches.

The group set Thursday, September 23, as the time for their next meeting.

Those in attendance included: Chairman Leighton C. Taylor, of Bendersville; Miss Anna Black, Flora Dale; Dr. Robert Fortenbaugh, Gettysburg; the Rev. Fr. Louis Yeager, Buchanan Valley; Frank Moore, Fairfield; George Martin, Irishtown; Stanislaus Krichen, McSherrystown; Dr. Henry Stewart, Gettysburg; Paul E. King, Littlestown; Mrs. E. S. Lewars, Dr. Frederick Tilberg and Hugh C. McIlhenny, Gettysburg. Judge W. C. Sheely and County Commissioner G. Ed. Taughenbaugh attended the meeting as ex-officio members of the committee. Commissioners' Clerk Clarence C. Smith also was present.

throwing up his hands as if attempting to grasp something to save himself.

When he failed to reappear, the boys swam across the quarry and started diving for the aged man. The quarry is about seven feet deep at the point where he fell into the water.

#### Body Recovered

Dr. C. G. Crist, county coroner, who investigated, said that death was caused by accidental drowning.

While most of the youths continued to dive in an attempt to recover the body, others went for aid, returning with the McSherrystown fire department. The Hanover hospital was called and the ambulance and a doctor reached the scene before the body was recovered within a half hour. Members of the fire company and others tied ropes to themselves and dived repeatedly into the water until the body was found. Brought to the shore, the body was placed on the ground and a pulmotor was used in the vain hope of restoring life.

#### Rites Saturday

Surviving are a number of children: Guy Weaver, McSherrystown; Earl Weaver, New Oxford; Mrs. Earl Houck, Hanover and Paul Weaver, at home. Funeral services Saturday morning with a high requiem mass at St. Mary's Catholic church, McSherrystown, at 9 o'clock with the Rt. Rev. Msgr. Patrick F. McGee as celebrant. Interment in the church cemetery.

Mr. Weaver's wife died many years ago, and a son died about three weeks ago.

#### Prizes Are Awarded

Mrs. Myers, auxiliary president, presented the speaker, Mrs. Guy Bencliff, Woodstock, Va., second vice president of the Women's Guild of the Evangelical and Reformed church. Her topic was, "A Child Goes Forth." The Rev. Dr. Oliver K. Maurer, Red Lion, vice president of the Board of Directors, was in charge of the offering, and serving as ushers were seven of the alumni, with John Throne, York, serving as chairman. Following the offering, a mixed chorus consisting of a group of the older boys and girls of the home rendered several selections.

An annual event at this anniversary is the awarding of prizes to the boys and girls of the home. These are 11 cash prizes that have been contributed by church schools, classes, girls' guilds, women's guilds and individuals from various sections of the Evangelical and Reformed church. A number of the prizes were given as memorials.

Superintendent Leeming presented the awards as follows: Vera Heim, Louise Stouch, Roy Gindlesperger and Roy Smith, for exerting the best moral influence in the home during the year; Ann Weaver and Ralph Sterner, for making the most progress in school during the year; Peggy Ann Burkholder, Marie Smith, Lewis Wolfgang and Elmer Rippeon, most dependable and exerting the most helpful influence in the home during the year; Betty Bixler, Mary Luckenbaugh, Maurice Luckenbaugh and Howard Luckenbaugh, most faithful services; Anna Mae Wolfgang, Louise Stouch, Maurice Luckenbaugh and Thomas Braecklein, girls of Emmanuel Cottage and boys of Zion Cottage who took the best care of their clothing during the year.

#### Other Awards Made

Vera Heim, Jean Anne Ruby, Richard Stouch and Glen Gindlesperger received awards for good citizenship. Josephine Burkholder, Ann Weaver, Robert Hottle and Lewis Wolfgang received prizes for making the most progress in music. Mary Weigle and Clarence Braecklein won awards for conduct.

Prizes were given for the boy and girl who rendered outstanding service in the kitchen and on the farm. The recipients were Peggy Burkholder and Clarence Braecklein. Anne Brown and Letha Luckenbaugh received prizes for the most progress in sewing. Prizes on the basis of self reliance and trustworthiness were awarded to Lena Luckenbaugh, Letha Luckenbaugh, Robert Luckenbaugh and Howard Luckenbaugh.

Following the awarding of prizes, the Rev. Mr. Leeming presented the eight children who are leaving the home in the near future. They are: Lester, Clarence and Thomas Braecklein, Peggy and Josephine Burkholder, William Morning, Anna Mae Wolfgang and Mary Weigle.

After the singing of "Living for Jesus," the Rev. J. Earl Gindlesperger, Shrewsbury, pronounced the Benediction.

An organ and vocal recital was then presented in the Leiphart Memorial chapel, which could be heard all over the grounds with the aid of amplifiers. The Rev. Henry A. W. Shaeffer, Baltimore, was the organist and the Rev. Roy C. Snyder, Dallastown, was the baritone soloist.

Hoffman Orphanage is under the jurisdiction of the Mercersburg, Potomac and Central Pennsylvania Synods of the Evangelical and Reformed church.

Shortage Of Grain Storage Space Threatens Farmers With Huge Losses

CORN BELT IS HARDEST HIT IN CURRENT CRISIS

**BY OVID A. MARTIN**  
(Associated Press Farm Reporter)

Washington, Aug. 27 (AP)—A serious shortage of grain storage space threatens farmers with the loss of several hundred million dollars in income this year.

The Agriculture Department estimates the storage shortage at upwards of 1,000,000,000 bushels. It is most acute in the corn belt, where a stupendous crop of 3,350,000,000 bushels of this grain alone is nearing the harvest stage.

Officials said farmers are likely to suffer losses from deterioration of grain and a drop in market prices below levels promised by the government's support program.

**Bumper Crop**

A farmer can get the benefit of the support program for grain only if he has it stored safely. This help is in the form of loans and agreements to buy the grain next year.

His only alternative may be to sell his grain on the market at a price below the support level. Some grain experts predict corn soon will sell from 15 to 25 cents a bushel

below the support price of about \$1.45 a bushel.

The vastness of the storage problem can be measured by the fact that this year's indicated production of grains is 1,350,000,000 bushels larger than last year and 1,275,000,000 larger than the average for the past 10 years.

**Short Facilities**

And the building of storage facilities has not kept pace with the sharp gain in production.

Right now the problem of storing the grain rests principally on the farmer. But next year it may be shifted to the government itself. It is possible that some 500,000,000 bushels of grain stored under 1948 price support loans will be turned over to the government when those loans fall due next year.

The farmer has the privilege of delivering the grain to the government as full payment for his loan. He usually does this when the market price is at or below the support level.

**Lack Authority**

Officials say they do not know what the government would do with the grain. It has storage facilities of its own for only about 50,000,000 bushels.

The last Congress took away from the department previously-exercised authority to set up its own storage facilities.

Officials said it may be necessary

**PUSH SEARCH FOR FINANCIER**

Princeton, N. J., Aug. 27 (AP)—Police today intensified their search for New York financier Henry Martin Brooks, 61, wanted on a murder charge in the shooting of his business partner, Joseph R. Watkins.

"Two other suspects," also were being checked by the Mercer county prosecutor's office in an effort to find the person who fired two fatal bullets at Watkins as he sat in a car parked in the driveway of the fashionable Princeton Inn Wednesday night.

The search centered near Greenwich, Conn., where Brooks occupied a large home on a 12-acre estate on North street, and at Reading, Pa., where he was a frequent visitor.

Brooks' socially prominent wife and school teacher daughter, Elizabeth, who cut short a Maine vacation when they heard of the murder charge against Brooks, were unable to supply much information, Police said.

Mercer County Prosecutor Mario H. Volpe said Watkins, 54, a lawyer and investment broker, had obtained a \$72,000 judgment against Brooks

to ask the next Congress to return that authority.

**Boy, 8, Is Drowned In Swimming Pool**

Minersville, Pa., Aug. 27 (AP)—Fishing in a closed swimming pool brought death to George Leutke, eight-year-old son of Mr. and Mrs. George Leutke of Scranton.

The youth drowned yesterday while fishing in the posted Dando swimming pool. He and several other boys had left a picnic at Llewellyn, about five miles from Pottsville. He was visiting his father, a stripping contractor employed at Minersville.

Young Leutke died en route to a Pottsville hospital. He was alive when Mrs. Nancy Dando Brennan, former life guard at the pool, pulled him out, Mrs. Brennan said. She applied artificial respiration.

on the grounds that he had made good losses incurred in several joint ventures. Brooks had made unsuccessful efforts to have the judgment set aside, Volpe said.

The prosecutor filed a murder charge against Brooks yesterday, explaining that it had been "definitely established that Brooks was at the murder scene."

Brooks was bankrupt and under investigation by the attorney general's office in New York state, Volpe added.

**DRAFT BOARDS ARE EQUIPPED**

Harrisburg, Aug. 27 (AP)—The man-size job of squipping Pennsylvania's 174 local draft boards is "just about licked," state selective service headquarters reported.

Lt. Col. Henry M. Gross, state director, said that by Sunday all boards, with possibly a few exceptions in extreme rural areas, will have been equipped "down to the last detail."

"It has been a tremendous job," Gross said, "but we have just about got it licked."

The state director said a fleet of about 20 huge Vans have been shuttling for more than a week from the equipment storage center at nearby Mechanicsburg Naval Supply depot to points throughout the state.

Gross added that boards have now been appointed in all areas and are ready to swing into action Monday when all men, both veterans and non-veterans, from ages 18 to 26, must register for the new draft.

All males within the age limit must register "regardless of marital status," Gross emphasized.

**Boy Killed On Trip For Store Cookies**

Philadelphia, Aug. 27 (AP)—Three-year-old Joseph Anderson was killed by an automobile yesterday, still clutching the two big cookies he had gone to the store to buy.

Police said the boy's parents, Mr. and Mrs. Robert Anderson, said their son was in the habit of taking

two pennies to a neighborhood store every day to buy cookies.

Usually, the parents said, Joseph was accompanied by his brother, Robert, nine. Yesterday, Joseph apparently decided not to wait for Robert.

**Our Policy on PONTIAC Deliveries and Prices**

Despite the fact that Pontiac has built over a half-million cars since the resumption of production after the war, demand still exceeds supply. In the face of this production record, those who place orders now will still experience some delay in delivery. If you are among the many people who feel that Pontiac represents an outstanding value—and wish to order a Pontiac for future delivery—you will be interested in the following policy on retail distribution which we, as Pontiac dealers, will observe:

**ORDERS FILLED BY PRIORITY**

A definite proportion of the cars we receive from the factory is set aside for preferential delivery to users whose work is in the public welfare and to others with certain occupational requirements. Otherwise, all orders will be filled on the basis of the time when they are received.

**YOU SPECIFY ACCESSORIES**

While most of our customers order their cars equipped with accessories, we do not force accessories as a condition of sale. You specify what accessories you want when ordering your car, and these are the ones (and the only ones) it will carry when delivered. Some items may be lacking due to current shortages; but none will be added.

**REGARDING TRADE-INS**

Naturally, if you have a car to trade, we would like to have it in order to take care of our regular used car customers. Our appraisals are fair, based on current conditions. But if you do not have a car to turn in, we still want your order and will accept it for delivery based on the conditions outlined above.

**YOU PAY FACTORY-SUGGESTED PRICE**

Due to changing economic conditions, we cannot, when you place your order, tell you exactly how much the car will cost when delivered in the future. But, at the time of delivery you will be charged only the factory suggested price on your model—which will be shown in a published list of local prices.

Since this is our "home town", our business and its future is based on our good relations with the people of this community. We are most happy that so many people here—as all over the country—have made Pontiac their number one choice as a new car.

Nothing pleases us more than to turn over the keys of a new Pontiac to one of the many people whose orders we have, because we know they have chosen well—for Pontiac is always a thoroughly good car, and a thoroughly good value, this year, next year, any year.

## TITO TROUBLE FIRST SIGN OF 'RED' FRICTION

By DEWITT MACKENZIE  
(AP Foreign Affairs Analyst)

That vitriolic Yugoslav-Romanian row is worth watching, since it may well be a gauge by which we can judge how Moscow's world revolution is progressing—equally important—what tactics are being employed to meet emergencies.

This Red upheaval represents the first serious break in the solidarity of Russia's satellite states. It had its inception in July when the powerful, Moscow-dominated Cominform split with Tito, charging him with maintaining a hateful policy towards Soviet Russia and with departing from the Marx-Lenin philosophy.

Tito has denied the allegations and declared his devotion to Stalin. However, at the same time he has made it amply clear that Yugoslavia is running its own show, which is to say that Tito is running Yugoslavia's show. In other words, the marshal has got too big for his breeches that Stalin had tailored for him.

**Out To Break Tito**  
So Moscow is bent on breaking Tito, and the latest development is Yugoslavia's charge that Romanian officials are trying to foment revolution for the overthrow of Marshal Tito's regime. Moreover a blistering Yugoslav note singles out Mrs. Ana Pauker, Romanian foreign minister and one of Communism's dominant leaders, as calling for Tito's elimination.

A point which we shouldn't overlook is that Moscow is handling the Tito case by indirection. It struck first through the Cominform and now apparently has assigned a prominent part to Romania, which means to Ana Pauker. In previous instances where punitive measures have been taken, Moscow has done the job itself. Why now does it hand the task to others?

Well, in the first place it may well be that Russia is making a virtue of necessity. That is to say, it probably would take force to oust the Tito regime, and Moscow isn't prepared

## Says Turnpike Will Bring More Tourists

Washington, Aug. 27 (AP)—The proposed eastern extension of the Pennsylvania turnpike will bring a great number of tourists into that state, John H. Baer, Harrisburg Patriot reporter, told a meeting of the American Road Builders Association yesterday.

"I think the cry of the hotel operators that the eastern extension is going to ruin their business is very much exaggerated and short sighted," he said.

Baer said the Harrisburg Patriot and Evening News are 100 per cent in back of the planned extension of the turnpike from near Harrisburg to the vicinity of Philadelphia.

To stick its neck out that far, it prefers to try to create a situation in which Yugoslavs themselves would revolt against their leader.

In short, Russia's Red empire already is showing signs of being unwieldy and hard to manage. Employment of Ana Pauker as general in the field probably is a shrewd move, but it is a confession of weakness. And if Moscow feels weakness already, what will happen as the Red empire of unhappy slave states increases—if it does?

One answer to that is a point which this column has made numerous times. This is that any empire built of unwilling states by force must in the end blow up. Nothing so evil can endure. This fact presumably accounts for the policy of containment which the Western Allies appear to have been following, that is, holding the line and letting the Communist world revolution crack itself up.

## YOUTH TO HAVE VOICE IN WORLD CHURCH POLICY

By RICHARD TOMPKINS  
Amsterdam, The Netherlands,

Aug. 27 (AP)—Youth will have its say in the pronouncements of the World Council of Churches.

It will have a bigger voice than ever before in the projection of modern religious thinking that will come out of the World Council Assembly now meeting here, council leaders said today.

Representatives of Christian youth forces are carrying on discussions parallel with those of the older generation. And their opinions will be recognized and included in the council's encyclical to be released next week.

Charles P. Taft, an American Protestant Episcopal lay delegate to the assembly, said: "Their (youth's) views, some of which older people have forgotten, will surely be incorporated into the churches' pronouncements."

**Youth Movement Felt**  
Taft said young people are shaping the thinking of the World Council of Churches through the many youth movements in various coun-

tries. Many of the younger people attending the meetings here are from missionary countries. One observer of the World Council sees youth as the "flying squadron of the Ecumenical (world wide church) Movement."

A council session yesterday heard Prof. Joseph Hromadka of Prague plead at a closed door meeting for "more imaginative thinking in the west on the international question." Hromadka contended that the west was deluding itself "when it imagined it possessed freedom and others did not."

**Niemoller Speaks**  
At the same secret session another speaker, who was not identified, reported that many persons prefer suicide rather than return to the Soviet orbit.

The Rev. Martin Niemoller of the German Evangelical Church told the

## Test New Safety Devices For Planes

New York, Aug. 27 (AP)—The government is conducting tests of new smoke and fire-warning devices for airplanes.

This was disclosed yesterday at a Civil Aeronautics Board hearing on a United Airlines plane crash June 17 near Mount Carmel, Pa., in which 43 persons were killed.

Albert Vollmacke, chief air frame assembly of the world everywhere is out of joint and disorder is increasing with alarming rapidity.

"Far and wide," he said, "and especially in the old world, a paralyzing atmosphere of decline is uprearing. Christendom today is in the same position as the rest of the world, in complete confusion."

and equipment engineer for the Civil Aeronautics Administration, said present warning devices are "not yielding the results expected."

He said there have been 22 reports of false smoke alarms in aircraft this year. Tests on new equipment are to be completed about September 15, he said.

## FIVE RESCUED

Philadelphia, Aug. 27 (AP)—Five persons were rescued from a blazing building at 1208 Spruce street, last night as a fire in the basement sent smoke pouring through apartments on all four floors. Police said Clyde Brown, 34, occupant of one of the apartments, collapsed as he tried to arouse a deaf-mute, William Hyman, in another apartment in the building. Brown was treated at a hospital for shock.

# WILL DEFINE RADIO RIGHTS OF ATHEISTS

Washington, Aug. 27 (AP) — A congressional committee set out today to define the radio rights of a person who wants to deny the existence of God.

Chairman Harness (R-Ind.) of the special House committee investigating the Federal Communications Commission's decision to order a public hearing next Tuesday, its purpose: to define into a 1946 FCC statement the demands of atheists for radio time to reply to religious broadcasts.

Harness said he was acting on the complaints of radio and religious groups that FCC rulings are so vague that some stations are uncertain whether they can continue to give broadcasting time to divine worship without jeopardizing their licenses.

Harness declared that if the situation "really is having the effect of driving religious programs off the air, then that is an intolerable situation."

The communications act says that when a public controversy is aired, there must be equal opportunity for opposing sides to be heard.

But the FCC has never given a flat "yes" or "no" to the right of atheists to demand time for replies to religious programs.

The latest statement from the commission is that "the licensee

## Vet Gets Revenge On Army Officers

Lancaster, Pa., Aug. 27 (AP) — Revenge is sweet, said the former Air Force private.

A World War II veteran, who declined use of his name but said he served three and a half years and went on 40 missions with the 15th Air Force, found himself the possessor of that rarest of present day prizes—an apartment to rent.

Yesterday, he inserted this ad in a newspaper:

"Two rooms, partially furnished kitchen and bath, no ex-officers or children."

(of a radio station) must necessarily exercise his judgment in each situation on the basis of the specific facts presented."

The Harness hearing stems from a case in which Robert Harold Scott of Palo Alto, Calif., asked the commission to revoke the licenses of stations KQW at San Jose and KPO and KFCR at San Francisco. Scott said these stations regularly broadcast religious services, but had refused to give or sell him time for talks on atheism.

FCC refused to revoke the licenses.

## News From Littlestown

### MORE SUPPLIES FOR CHURCHES; PASTORS AWAY

Sunday will be the last vacation Sunday for most of the pastors of Littlestown and vicinity. Two pastors have already assumed their duties following a vacation and during the coming week, the other pastors will return and resume their pastoral duties. Among the supply pastors on Sunday, will be two former Littlestown pastors.

The Rev. Theodore Woodrow Boltz, once pastor of Redeemer's Reformed church, beginning as a student supply from the Seminary in February 1942, and assuming his duties as an ordained minister in June, 1942 and continuing until March 5, 1946, when he became pastor of the Livingston Avenue Reformed church, New Brunswick, N. J., will occupy the pulpit of Redeemer's church.

The Rev. A. R. Longenecker, Gettysburg, a former pastor of St. John's Lutheran church, will return to St. John's on Sunday morning to teach the Sunday school lesson to the adult department, at 9 a. m.

The following are the church announcements for the week-end and the coming week:

**St. Aloysius church,** the Rev. Fr. George A. Lavelle, pastor. Saturday, confessions, 4 to 5 p. m. and 7 to 8 p. m.; Sunday, low masses, 7:30 and 10 a. m.; daily mass at 7:30 a. m. excepting Wednesday, the first day of parochial school, when the mass of the Holy Ghost will be celebrated at 8 a. m. to be attended by the children of the school; Tuesday, 9 a. m. to 12 (noon), registration for newcomers in the school. Thursday, in preparation for the first Friday, confessions, 3:15 to 5 p. m. and 7 to 8 p. m.; Friday, Holy Communion will be distributed outside of mass at 5:45 and 7:05 a. m. with mass at 7:30 a. m.

**Centenary Methodist church,** the Rev. Grantas E. Hoopert, pastor. Sunday school, 9:30 a. m.; morning worship, 10:30 a. m. Sermon, "The Case Against Sin."

**Grace Lutheran church,** Two Taverns, the Rev. Dr. J. M. Myers, pastor. Sunday school, 9:30 a. m.; church service, 10 a. m. Sermon, "Overcoming Opposition."

Extra safety of the B.F. Goodrich Silvertown comes from a tire body that is made tougher, longer lasting with more—and stronger—cords. This stronger tire body also has a special double breaker strip for protection against road shocks.

B. F. Goodrich Silvertowns go farther because tread wear is more uniform. The tread is wider and more level. This means more tread-to-road contact, better weight distribution, more even wear, thousands of extra miles.

## SPORTSMEN'S FARM SCENE OF OUTDOOR MEET

Approximately 100 members of the Littlestown Fish and Game association were in attendance at the August outdoor meeting held on Wednesday evening at the association's newly purchased site in Germany township, to be known as the Fish and Game farm.

Dr. Joseph R. Riden, president, was in charge of the business meeting at which time Roscoe W. Rittase, the member of the local association who is serving on the committee for the Adams County Sportsmen's association picnic, reported on the activities to be held on that occasion. The affair will be held on Sunday at the South Mountain Fair Grounds; there will be a picnic lunch; fly casting, plug casting and archery contests will be held and prizes awarded; games will also be arranged for the children as the picnic is to be a family affair.

The speaking program to start at 2:30 o'clock will include Judge W. C. Sheely, Joseph Checkinski, of the state Game Commission and J. Allen Barrett, head of public relations for the state; there will also be horseshoe pitching contests and softball games, and music for the day will be provided by the East Berlin high school band. Committees from each of the participating associations will take turns serving at the refreshment stand; the following committee was appointed by President Riden to serve for the Littlestown association from 3 to 4:30 o'clock: William A. Wherley, chair-

man; Glenn Bowers, Bernard Dillman, Lawrence Dooley, Edgar DeGroft, Edwin Harget, Francis Zepp and Seldon Taylor.

### Committee Named

The building of a bridge to permit the passage of autos into the Fish and Game property has been completed. Howard Trostle has also built a table on a site in that part of the woods which has been cleared of underbrush and similar obstacles, and which will be used for picnic grounds. The work of clearance up to this time was done by a committee consisting of Louis Clingan, Ernest Renner, W. E. Stites, Thomas H. Kerns, Walter Myers, Henry F. Storm, Herman Kaler, Clair Redding and Earl Sanders. A new committee has been appointed to continue the work of clearing debris, and each of the following committee members is to select 10 assistants: Ernest Renner, chairman, Raymond Spangler, Donald W. Peeser, Milton Harner, Walter Hershey, Wilbur Snyder, Richard A. Little, Jr., Robert L. Crouse, Jr., was appointed to paint the table built by Mr. Trostle and William H. Renner will build an outdoor fireplace.

The next meeting of the association is planned for Wednesday, September 8, when a corn bake will be held and the following committee will be in charge: Harry O. Harner, chairman, William H. Renner, W. E. Stites and Edgar E. Yealy. This outdoor meeting will also be held at the Fish and Game farm. A guest at the meeting on Wednesday night was the district deputy game warden, Richard Hamm, Midway. Refreshments consisting of watermelon, sandwiches and soft drinks were served by a committee consisting of Harold Sparver, Charles W. Snyder, Earl Sanders and Henry F. Storm.

## Employees Tender Party To Manager
